

Choptank Health's School Based Health Centers

Are OPEN and IN THE OFFICE!

Your providers are back & ready to provide care through

► **In Office Visits** ► **Video Visits** ► **Telephone Visits**

Common medical concerns and illnesses can be addressed during visits and/or with a follow-up visit in a Choptank office only when necessary. Visit reasons could include:

- Well Child Checks
- Medication refills
- COVID-19 symptoms/testing
- Cold and allergy symptoms
- Asthma and breathing problems
- Stomach aches
- Headaches
- Rashes and other skin complaints
- Minor injuries
- Other common complaints
