

# 2021/2022 Google Classroom Expectations

**Take a look at this year's expectations!**

# Why do I need a Google Classroom if all of my kids are in person?

Caroline County Public Schools is now a 1:1 district! That means that all students have a device in grades Pre-k through 12

Google Classroom reduces paper use, streamlines classroom management, digitally organizes, distributes, and collects assignments, course materials (think: videos, websites, PDFs, and more), and student work. Google is a platform that allows teachers to communicate with students and give timely feedback on assignments and assessments. It also provides a platform for parent/teacher communication.

Keep in mind the best practices that we learned from the pandemic through the use of Google Classroom!

# Google Classroom Expectations

- Every class will have a Google Classroom for the 2021/2022 School Year.
  - All Google Classrooms from 2020/2021 MUST be archived prior to the start of the new school year. [How to Archive a Google Classroom](#)
  - Google Classrooms should be named the following:
    - “School, Grade/Course, Teacher, Content/Course, Period
    - Example: “DES 4th Smith” or “NCHS Eng 9 Smith, PD2”
  - Google Classroom Assignments should be clearly labeled.
    - Example: 9/15/21 ELA Weekly Journal
    - Non-Example: Weekly Journal
  - Invite necessary co-teachers, school-based administrators, school-based coaches, and appropriate central office teacher specialists to your Google Classroom.
