

SOCIAL-EMOTIONAL WELL-BEING PROGRAM

at Caroline County Public Schools

Promoting

social-emotional well-being
in school-aged children

Connecting

students and families with
services and resources

Training

staff and families in best
practices and strategies

How do we help students & families?

We connect students & families with services, help facilitate and coordinate the delivery of those services, and provide resources that enable students and families to learn and thrive.

How do we help school staff?

We provide resources that promote the social, emotional and behavioral needs of students. Trauma Informed Training, Universal Mental Health Literacy, and more are available.
