

Taking steps to protect the health and well-being of CCPS students and staff is a priority. Signs and symptoms of COVID-19 can include the following:

- Cough or difficulty breathing
- Fever (100.4 or higher)
- Chills
- Sore throat
- New onset of severe headache (especially with fever)
- New loss of taste or smell
- Vomiting
- Diarrhea

Requirements to Attend School In-Person

- Parents/guardians must review and monitor their child's symptoms and exposure risk every day. Temperature screening must also occur daily prior to reporting to school.
- Students cannot attend school or any school activities if they:
 - are exhibiting any signs/symptoms of COVID-19
 - are unvaccinated and have been in close contact with someone who is positive for COVID-19. The positive individual can spread the virus in the two days prior to developing symptoms (two days prior to their test date if they do not have symptoms) until they are released from isolation.
 - have been diagnosed with COVID-19
- The school nurse or principal must be contacted if the student cannot attend school.
- If a student becomes ill while attending school in-person, parents/guardians will ensure that they are picked up promptly and will comply with recommended quarantine or isolation as directed.
- Students exhibiting symptoms of COVID-19 can return to school with a negative test result or alternate diagnosis from a health care provider.
- Students must be fever-free (less than 100°F) for 24 hours without the use of fever reducing medications to attend school.
